Meeting Date: Tuesday 4:15PM, 4th of November 2022

Attendees:

Kieran: 4:15

Olly: 4:15

Justin: 4:15

Emma – No show

Pre-initial Client Meeting:

Discussed some ideas of what to build based on the Client event. Possibly create a web app for the drawing and do some research on those.

Questions to ask the client during the meeting:

- What hardware are you using?
- What ages is the drawing app targeted towards?
- What data do you want to collect and store?
- How are the drawings scored?
- What hosting do you have?
