Meeting Date: Wednesday 10:00AM, 9th of November 2022

Attendees:

Kieran: 10:00

Justin: 10:00

Olly: 10:00

Emma: No show

Meeting Overview

The first official meeting after meeting the client properly. During this meeting we discussed the requirements gathered during the client meeting, explored and researched various ideas and technologies that would best fit the project.

As discussing the project Justin was putting the outline of the project plan together. Kieran was researching Progressive Web Apps as a solution for the multi-platform problem. Olly was planning the initial sprints.
